BRIEF ABSTRACT OF LETTER.

Forwards copy of letter no. 18 Dy 27-7-11 from the Supdt of Stamps pointing out that there is reason to suspect that persons living in Mysore are allowed to make use of the Cheques stamped with Ctl Stn stamp and requests that the necessary steps be taken to check the practice.

In this Office letter no. Pol 620 Dy 29-1-1910 to the Residency it was requested that the Collector Ctl Stations should be directed to receive applications for stamping cheques only in cases where they are meant to be drawn within the limits of the

the C.M. Station, and this arrangement having been approved by the Resident, a copy of the letter addressed by the P.A. Resident to the Collector C.M. Station on the subject was forwarded to this office and it was in turn sent to the Com. of Stamps in Mysore for information with this office no. 7E 1238 dt. 24-2-1910.

Under the above arrangement the Collector C.M. Station cannot receive applications from the Madras Bank, Bangalore, & the Bangalore Bank, for stamping cheque books intended for the use of their clients in the Mysore State. On such applications being refused by the Collector, the Banks should necessarily send the cheque books to the Supt. of Stamps in Mysore, for the impressment of the Mysore stamps.

The Supt. of Stamps, however, reports that, for some years past, no cheque books & stamp duty have been received from the banks aforesaid and suspects that persons living in Mysore are allowed to make use of the cheques stamped with the C.M. Station stamp, to the detriment of the Mysore Stamp revenue. If this is true, the natural inference is that the Collector must have been receiving all

cheque books, whether intended to be used in the ExtStation or in the State, contrary to the arrangement referred to in para 1 supra.

It may be mentioned that the said arrangement arrived at with the Residency was not at the time directly communicated to the Banks in question. Still the Collector of the Station could have intimated the same to them by rejecting the books meant for their clients residing in the State.

Why? Who should be done - ups

Unless the Banks have no clients residing in the State, which is improbable, there is every reason to suspect that the stamp duty on cheques drawn within the State is being credited to the revenues of the ExtStation.

Could this was suggested by the Office (vide note of 29.11.09 on P.P.S. of the collection part of the up. SR 1909-36) ; no orders were passed on the question. ASH.

In these circumstances it is a point for orders as to whether the Banks or the Residency should be addressed in the matter.

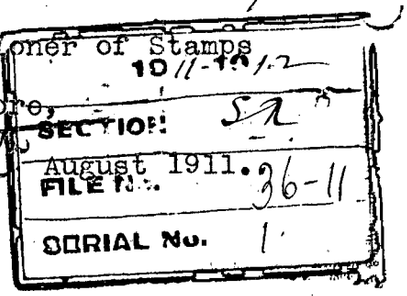
Office of the Commissioner of Stamps
in Mysore,
Dated Bangalore, 12 August 1911.



From

K.Doraswami Iyer, Esq.,

Offg.Commissioner of Stamps in Mysore,

To

C.S.Balasundaram Iyer, Esq.,B.A.,

Offg.Secretary to the Government of

His Highness the Maharaja of Mysore,

General and Revenue Departments.

Sir,

In forwarding herewith,for information,copy of letter No. 18 dated the 27th July 1911,from the Superintendent of Stamps, regarding the loss to the State of the revenue due on account of the Stamps impressed on the cheques drawn on the Bangalore Bank and on the Bangalore Branch of the Bank of Madras by persons residing in the Mysore State (as distinguished from the Civil and Military Station,Bangalore), I have the honor to state that under Section 3 (a) of the Mysore Stamp Regulation , the banks in question should get the cheque-books supplied to their clients in the Mysore State impressed only with the Mysore Stamps of the pattern described in para (2) of Rule 2 of the Mysore Stamp Rules and not with those (surcharged with the words "C & M Station") supplied for being used in the Civil and Military Station and that they should pay the value of such Stamps into any of the State Treasuries to the credit of the Mysore Government and not into the Resident's Treasury for being credited to the revenues of the Assigned Tract. I therefore request that the Government may be pleased to take such steps in the matter as may be necessary to ensure the above procedure being duly followed by these Banks. I need hardly add that the Banks should certainly have no objection to do so as under the Notification of the Government of India No. 1083 dated the 6th June 1879, cheques drawn in Mysore and bearing a proper Mysore Stamp are exempt from the payment of any additional Stamp Duty for being negotiated in the Civil and Military

Station.

I have the honor to be,

Offg. Commissioner of Stamps.

From

To

K.Doraswami Iyer, Esq.,
Offg.Commissioner of Stamps in Mysore,
Bangalore.

Sir,

Adverting to this office No.133 dated 19th December 1907, I have the honor to state that the Madras Bank Bangalore, and the Bangalore Bank continue to send all their cheques to the Collector,Civil and Military Station,Bangalore, who credits the Stamp duty thereon to the revenues of the Assigned Tract, and forwards the cheques to this Office for being impressed with stamps surcharged "C & M Station".

As no cheque books and Stamp duty have been received in this office direct from these Banks for some years past for the impressment of the Mysore Stamps, and as it cannot be that these Banks have no clients, who are residents of the Mysore State, I am inclined to suspect that even now persons living in Mysore are allowed to make free use of the cheques stamped with the Civil and Military Station Stamp, thus causing some loss of Stamp revenue to the State.

It seems necessary,therefore,to take steps early to check this practice.
